**HRH Prince Graeme GCSOWL.**

**Sovereign of the Principality of Hutt River and all its Territories**

Your Royal Highness,  
Prince Graeme,

I was greatly and deeply saddened by the news that His Royal Highness Prince Leonard passed away today.

This is indescribable lost to us, to the Principality of Hutt River, and to me personally. I have the honor to know His Royal Highness Prince Leonard for a long period.

In 2008, he appointed me as a Special Envoy, and I had the honor and pleasure to serve him and this Principality for more than a decade. His Royal Highness Prince Leonard was a mentor and more than a friend to me. I remember how often we exchanged thoughts and opinions, and I was always interested in his works in the fields of spiritual and physics.

I can't describe the emptiness that I feel, but warm in my heart, as I had the pleasure to know His Royal Highness Prince Leonard.

Your Royal Highness Prince Graeme, and the Royal Family, please accept my heartfelt condolences. May His soul rest in peace.

Please accept my greatest regards,

Sir Željko Riha KCRO. KOWL. KCIOM.

Hon. High Representative to Central Europe and the Balkans  
Chief Inspector in Intelligence division – Diplomatic Security Force
