**30/08/2010**

**ATT: ROYAL ENFIELD CLUB OF AUSTRALIA Inc.**

Once again another year has slipped past and you are all in Tanunda South Australia for another AGM. I see that Tanunda is in the Barossa Valley, not that any would be imbibing of much wine over the weekend I am sure?

We wish to once again express our sincere congratulations and thankyou to all that attended the Principality to help us celebrate our 40<sup>th</sup> Anniversary. We all enjoyed the weekend immensely and we are hoping to soon publish a book covering the events of that weekend, particularly photos of the weekend and you can be sure that RECOA will feature in any publication in a major way.

To you all who are here for the RECOA AGM of 2010. Congratulations on your attendance here and in attending realise that your positive and active role gives the club its strength in order for it to continue, the high club spirit which all enjoy and indeed helps greatly in the growth of the club which I am pleased to see has remained on the climb.

Enjoy the weekend; I trust the formalities are over quickly and smoothly so that you might have the time to at least imagine the taste of those wines so nearby.

We wish you all, as always, a *Pleasurable, Relaxing, Rewarding Meet* and a *Safe Ride!*

Congratulations to you all.

Best Regards

**HRH Prince Leonard
